SUMMERWINDS

HEALTH-E-COAT

Skin & Coat Conditioner

Rich in Omega 3 & 6 EFAs

All Natural, No Preservative, Very Palatable

Adds Sheen & Luster to Coat

Health-E-Coat come in a loose grain form and is very palatable, most animal will eat Health E Coat readily, but for those finicky eaters you can fill empty gelatin capsules with Health-E-Coat and then pill by mouth to insure that they are ingesting the given dosage. After opening, seal lid tightly to maintain freshness.

When an animal is healthy, their coat reflects their well being. In a healthy animal coat grows on an average on a ½ inch a month. To maintain your animal's healthy shiny coat, we recommend you use Summerwinds Shine Onnn Shampoo with 6.5 pH

balance the same as your dogs. Followed up by Summerwinds Fine L Shine Conditioning Crème Rinse containing conditioning, detangling and static control properties for a show groom result. To avoid weather, environment and chemical damage to the coat use Summerwinds Protect A Coat Conditioning Oil will help to keep and protect your animal coat for that competitive edge.
